See attached sheet.

Art Unit: 2817

In view of the papers filed January 24, 2007, it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by adding Ji-yeoul Ryoo as an inventor.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of Office records to reflect the inventorship as corrected.

A handwritten signature in black ink is written over a rectangular stamp. The signature is cursive and appears to read "J. Ryoo". The stamp contains the text "Special Agent" and "Patent Office" in a serif font, with "Patent Office" on the second line.
